ABOUT RED BARN FAMILY FARMS

Red Barn Family Farms believes the healthiest cows produce the best milk. We work to preserve small family dairy farms by providing fair living wages to our farmers. This rewards them for ethical, humane animal care and exceptional milk quality and helps them remain viable business models into the future.

There are currently 7 Red Barn farms, all family owned and operated. Our farms have an average of 55 cows, all known and cared for by name. Learn more about our Red Barn Rules on our website redbarnfamilyfarms.com.

Say Hello to one of our Red Barn Families

Bob & Mary Nett
 Pulaski, Wisconsin

Born a city boy, Bob Nett had always dreamed of becoming a dairy farmer. At age 23, Bob and his wife Mary realized that dream and bought their farm. Their 375 acres are the perfect place to pasture their herd of 65 cows.
