

# FRESH HYDRO GREENS YEAR ROUND

## ABOUT US:

Future Farm Grown is a network of hydroponic commercial growers, originally founded in Baldwin, WI. Our mission is to help people live better lives. Through relationships, diligence and innovation, we have worked hard to grow clean, fresh and nutritious produce to support our local community year round.

- increase visual quality
- less waste with longer shelf life
- more flavor
- GAP certified
- non GMO seeds
- no harmful pesticides
