ABOUT THE COLLABORATORS

Hundred Acre Opened its doors in 2022 as Wisconsin's largest indoor urban farm, located in the heart of Milwaukee with a mission to reinvent the food system. The vertical hydroponic operation grows premium fresh greens year-round to support Southeast Wisconsin food businesses. In addition to reinforcing a healthier local supply chain, they provide entry level training and hands-on educational opportunities to combat food insecurity in their underserved communities.

At **Freshchef**, we strive to provide an effortless way to access quality nutrition. Our mission is to make life easier by delivering single-serving meals packed with protein, healthy carbohydrates, and vegetables straight to your home or business. We understand how busy life can get, so we are committed to removing the stress of deciding what to eat. We help to improve lives every week with fresh, nutritious meals, giving people more time to enjoy themselves with family and friends. We are dedicated to providing high-quality meals you can count on for convenience and satisfaction.
