

Fresh from Wisconsin

Elevate Your Offerings with Our Premium Produce Selection.

The Heart of Wisconsin Agriculture

The Wisconsin Food Hub Cooperative (WFHC) is more than just a supplier of fresh Wisconsin produce. We are dedicated to sharing the stories of local family farms and promoting the unique identity of the Wisconsin brand. With WFHC, you'll not only receive top-quality produce but also the experience of supporting and connecting with the rich agricultural heritage of our state.

Lock in Your Wisconsin Staples Now

Secure your staple items for the entirety of the Wisconsin season by partnering with WFHC today. Take advantage of the opportunity to lock in a yearly price for your essential products, with the added assurance of a guaranteed ad price at least once per season per product.

Honoring Wisconsin Growers

WFHC is passionate about honoring Wisconsin growers and showcasing the best of what our state has to offer. That's why we proudly display the "Something Special From Wisconsin" banner on all our products, celebrating the rich agricultural heritage of our region.

Commitment to Food Safety

WFHC is dedicated to ensuring the highest standards of food safety. In fact, we are one of only three warehouses in the state certified with the Good Manufacturing Audit by the USDA. This certification underscores our unwavering commitment to quality and safety in everything we do.

Stay Informed with Our Weekly Newsletter

Keep your customers and staff informed and engaged with our weekly newsletter. Packed with valuable insights, updates, and news from the world of Wisconsin agriculture, our newsletter is a fantastic resource for staying connected to the local farming community.
