# BULK CUT VEGGIES *for Schools*

## Introducing Bulk Cut Veggies for Healthy School Meals

At Wisconsin Food Hub Cooperative (WFHC), we're committed to bringing fresh, locally sourced produce to schools across the region. Our Bulk Cut Veggies are the perfect solution for busy school kitchens looking to serve nutritious meals without compromising on quality or taste.

### Why Choose Bulk Cut Veggies from Wisconsin Food Hub Cooperative?

- **Locally Sourced:** We partner with local farmers to ensure that our veggies are fresh, flavorful, and sustainably grown. By supporting local agriculture, you're not only providing wholesome meals for students but also investing in your community.
- **Convenient and Time-Saving:** Our bulk cut veggies are prepped and ready to use, saving you valuable time in the kitchen. With a variety of options available, including broccoli, carrots, bell peppers, and more, you can easily incorporate healthy ingredients into your school's menu with minimal effort.
- **Versatile and Customizable:** Whether you're looking to add color and crunch to salads, stir-fries, soups, or sandwiches, our bulk cut veggies offer endless possibilities for creative culinary creations. Mix and match different varieties to cater to diverse tastes and dietary preferences among students.
- **Nutrient-Rich and Delicious:** Packed with essential vitamins, minerals, and antioxidants, our bulk cut veggies are a nutritious addition to any meal. With their vibrant colors and crisp textures, they're sure to entice even the pickiest of eaters to enjoy their veggies.
- **Competitive Pricing:** We understand the budget constraints that schools face, which is why we offer competitive pricing on our bulk cut veggies. By purchasing in bulk, you can save money while still providing high-quality, locally sourced produce for your students.
